A THRILLING EXPERIENCE.

Remarkable Statement of Personal Danger and Providential Escape.

Why I When she had Chi'dren, she gave them Castoria, should have been so blind I cannot understand.

I consulted the best medical skill in the land. I visited all the famed mineral springs in America and traveled from Maine to California. Still I grew worse. While suffering thus I received a call from my pastor, the Rev. Dr. Foote, at that origin & Bro. time rector of St. Paul's Episcopal Church, of this city. I felt that it was our last interview, but in the course of conversation Dr. Foote detailed to me the many remarkable cures of cases like my own which had come under his observation. My improvement was constant from that time, and in less than three months I had gained 29 pounds in flesh, became entirely free from pain and I believe I owe my life and present condition wholly to Warner's Safe Cure, the remedy which I used.

Since my recovery I have thoroughly re-investigated the subject of kidney difficulties and Eright's disease, and the truths developed are astounding.
